

HR	CLASS	COST	AGE	TEACHER	DESCRIPTION	STUDENT MATERIALS
1st	Nursery-Babies	\$10 for all day	under 2			Please send your child with a well stocked and well labeled diaper bag.
1st	Twos and Threes	\$10 for all day	3	Laura Jackson, Crystal Paige	Using Heart of Dakota's preschool curriculum, your child will spend first hour making crafts and playing and learning their letters and numbers. A new theme will be introduced each week. During second hour, children enjoy snack and free play time which may include some time in the gym or outdoors for physical education. Third hour is reserved for a movie/rest time.	Please make sure any items sent with your child are well labeled. If napping third hour, your toddler will need to bring a blanket or nap mat of some kind.
1st	Little Bins for Little Hands	\$12.00	4-6	Misty Akcil	We will use fine motor skills, vocabulary, categorizing and animal/letter recognition while playing in fun, themed sensory bins every week.	
1st	All Things Agriculture	\$15.00	4-6	Erin Haynes	Little learners will explore the science of crop and livestock production through children's books, games, crafts, activities and lessons that engage all the senses. Each week will be a mini unit study on some aspect of the agriculture industry to help children understand and appreciate how their favorite foods and plant and animal products reach their home.	
1st	Beginner Spanish 2	\$10.00	5-7	Michelle Blackford	Introduce your kids to the excitement of learning another language! Spanish for Beginners 2 will continue to build on basic vocabulary learned and go into starting conversations. Kids will interact with each other while speaking Spanish, watch short videos to hear native speakers, and get familiar with reading the words they learn!	
1st	Through the Eyes of a Veterinarian	\$15.00	7-9	Brei Wilson	If you love animals, biology, or medicine, this is the class for you! Follow along and help a veterinarian diagnose furry patients. You'll learn about Fancy - the horse, Sprite - the dog, and many more animals (even a monkey!) as each week you use new skills and information to help figure out their illness or injury and make them feel better. Use a stethoscope, find a pulse, experiment with how intestines work, and practice your sewing (surgery) skills. Explore a future veterinary career or just become a better pet owner. *Parents- This class may have animal visitors from time to time. Also, our class may watch a video or two of a veterinary procedure. The video will have been previewed by the teacher beforehand.	
1st	"Socialization" Hour	FREE	7-12	TBA	We've all heard it before. "But how will your kids SOCIALIZE??" Well, worry no more! A whole hour dedicated to de-weirdifying your poor homeschooled child. On days weather is nice, students will be outdoors playing kickball, gaga ball, and other team centered physical activities. On bad weather days students will be indoors playing board games, cards, and hanging out getting to know each other. Make sure your child comes dressed appropriately for outdoor play and equipped with a water bottle.	Please make sure your child wears sneakers and comfortable clothing. Shorts under dresses are required for modesty.
1st	Gameschooling	\$5.00	8-10	Jessi Beauchamp	In Gameschooling your child will learn new board and card games both competitive and cooperative. They will learn critical thinking and strategy all while practicing social skills like being a good winner/loser and taking turns.	
1st	I Want to Be a Veterinarian	\$20.00	10-12	Serena Lero	We will be using Campfire Curriculum's "Through the Eyes of a Veterinarian" for this class. Students will follow along and try to "figure out the problem" with various animals in the book. We will get a first-hand look into what it is like to practice veterinary medicine. *Parents- This class may have animal visitors from time to time. Also, our class may watch a video or two of a veterinary procedure. The video will have been previewed by the teacher beforehand.	Pencil/Pen
1st	Pop Culture Trivia	\$10.00	11-14	Jordan Boren	Are you ready to test your general knowledge? How about all of the random facts you have been storing in your brain? This is the class for you! We will be using this knowledge gained by playing different themed trivia games each week! Which will be YOUR area of expertise?	
1st	Philosophy for Kids	\$20.00	11-14	Julie Casaccia	In this class we will discuss values, knowledge, reality and critical thinking. Questions such as "Can you really think about nothing at all?" or "Are you a fair and just person?" will be asked challenging students to support their answers. We will end our class with a biblical worldview and supporting scripture.	

HR	CLASS	COST	AGE	TEACHER	DESCRIPTION	STUDENT MATERIALS
1st	Intro to Drama	\$10.00	11+	Jeanna Kane	This class will help kids to better understand drama basics such as stage presence, voice projection, character development, and more. We will have lots of fun with games, skits, short plays, etc. At the end of the semester, the kids will be performing a short play for parents' night. *This class is required learning for students interested in joining the PCCHE Drama Club. Registration is also available to students who are NOT interested in joining the PCCHE Drama Club. Commitment and outside work is expected as this class will be performing on Parent Night. If you or your child is unable to commit in this way, we ask that you register for another class.	
1st	Creative Paint	\$20.00	14+	Mendy Holaway	Drawing directly from Andrea Nelson on Instagram, students will create art pieces using mostly watercolors. Andrea loves color and fosters creativity throughout each project. Students will end the semester with a variety of original art pieces to display at home.	Watercolor brushes, one fine point felt tip pen in black, 9x12 watercolor pad.
1st	You Decide!	\$10.00	14+	Ashlea Ranca	Students will acquire an in depth understanding of the Bill of Rights by reading real court cases and judging each case based on their knowledge of the relevant amendment and the facts of the case. Then they will compare their rulings with the ruling of the U.S. Supreme Court! Through the constant exploration of their own opinions, students will develop perspectives about the use and value of the Bill of Rights in their daily lives. **This is the second half of the course. However, new students will be able to easily join in right from the beginning!	
1st	Texas History	\$30.00	14+	Allison Bailey	Using the award winning curriculum " <i>Spirit of Texas</i> ," students will take a walk through Texas history and learn all about the land, the Native Americans, Texas government, and the history of the people of the Lone Star State. *Those wanting to utilize this class for 1 history credit will have extra projects assigned to them.	Colored pencils. Materials for extra projects if desired.
2nd	Nursery-Babies	\$10 for all day	under 2			Please send your child with a well stocked and well labeled diaper bag.
2nd	Twos and Threes	\$10 for all day	3	Laura Jackson, Crystal Paige	Using Heart of Dakota's preschool curriculum, your child will spend first hour making crafts and playing and learning their letters and numbers. A new theme will be introduced each week. During second hour, children enjoy snack and free play time which may include some time in the gym or outdoors for physical education. Third hour is reserved for a movie/rest time.	Please make sure any items sent with your child are well labeled. If napping third hour, your toddler will need to bring a blanket or nap mat of some kind.
2nd	Storybook STEM	\$15.00	4-6	Alicia Turner	Revamped for the spring semester with all new activities, students will listen to a story, then they will identify a problem and engineer a solution to that problem using a science, technology, engineering, or math design process. This is an exciting mix of literature and hands on STEM activities.	
2nd	Magnetic Tiles for Little Hands	FREE	4-6	Misty Akcil	Using the wildly popular magnetic building blocks students will be using their imagination and working in groups each week to construct themed creations.	
2nd	Volcanology	\$15.00	5-7	Jordan Boren	Students will be given the opportunity to learn all about volcanoes. We will be using a project based learning style to dive deep (pun intended!) into the the life of a volcano. There will be super fun hands-on learning activities to support our lesson material! Who doesn't love explosions??	
2nd	Draw Write Now	\$15.00	5-7	Laura Welty	This course is based off of the Draw Write Now books by Marie Hablitzel and Kim Stitzer. Draw Write Now is a drawing and handwriting curriculum for children. While the Draw Write Now series of books are useful for many ages, this particular course is geared toward the younger elementary child who has already established pen control and has been introduced to basic letter formation. During each class we will read a story and then practice that day's writing assignment.	
2nd	Around the World with Picture Books: Antartica and Australia	\$15.00	7-9	Erin Haynes	We will study the culture, geography, and indigenous animals of Antartica and Australia through delightful children's picture books. Students will practice notebooking, enjoy activities and crafts, watch short videos and even try some traditional foods related to each region we study. (Please be sure to indicate if your child has food allergies or restrictions.)	Pencil box or bag with gluestick, scissors, and markers or colored pencils.
2nd	Dance to Glorify	\$40.00	7-9	Serena Lero	"Let them praise his name with dancing." Psalm 149:3 No previous dance experience needed. We will learn a choreographed dance to be performed on Parent Night. Please wear comfortable clothing to class and be ready to dance! *This is a performance class. Regular attendance and participation in Parent Night is required. If you or your child are unable to commit in this way we ask that you choose another class.	Students need to wear comfortable clothing to class, please. The class cost covers dresses for the performance.

HR	CLASS	COST	AGE	TEACHER	DESCRIPTION	STUDENT MATERIALS
2nd	Outdoor Games	\$5.00	8-10	Jill Acheson	This class will focus on glorifying God through numerous team building exercises. Students will work together in large group, small group, and one-on-one physically challenging activities and games. Throughout the duration of this course, most activities will be conducted outside, weather permitting.	Please wear tennis shoes and bring a water bottle for every class.
2nd	LEGO STEM	\$10.00	8-10	Amy Ferguson	In LEGO STEM kids will be playing with LEGO bricks while working on cool projects and completing engineering challenges.	One pair of safety goggles and one pair rubber dishwashing gloves.
2nd	Beginner Spanish 2	\$10.00	10-12	Michelle Blackford	Introduce your kids to the excitement of learning another language! Spanish for Beginners 2 will continue to build on basic vocabulary learned and go into starting conversations. Kids will interact with each other while speaking Spanish, watch short videos to hear native speakers, and get familiar with reading the words they learn!	
2nd	Mysteries of Genesis	\$20.00	11-14	Oana Hoffman	In Mysteries of Genesis we will learn how the Bible proves science and explore topics like creation, man, the flood, dinosaurs, origin of the universe and many others. In the first chapter of Genesis, God laid out the the steps that He wisely took in the creation of the world. Our world did not happen by chance. It was designed by God. His grand design is seen in everything. Through everything He created, His love is displayed for us.	
2nd	All the Things	FREE	11-14	Shana Gentry	In "All the Things" we will focus on various subjects and topics relevant to the age group each week. One week we might play some math games to sharpen our skills; another week we might discuss a current event and write about it; another week we might have a spelling bee or a Bible drill...but each week we will be learning and sharpening skills necessary for success in school and in life!	
2nd	"Socialization" Hour	FREE	11-14	TBA	We've all heard it before. "But how will your kids SOCIALIZE??" Well, worry no more! A whole hour dedicated to de-weirdifying your poor homeschooled child. On days weather is nice, students will be outdoors playing kickball, gaga ball, and other team centered physical activities. On bad weather days students will be indoors playing board games, cards, and hanging out getting to know each other. Make sure your child comes dressed appropriately for outdoor play and equipped with a water bottle.	Students are REQUIRED to wear appropriate athletic clothing as well as close toed tennis shoes/sneakers.
2nd	Successful Events	\$20.00	14+	Charis Miller	Whether planning a small business meeting or a large wedding, this class will give you the skills to make your event a huge success! You will learn planning techniques to help you plan events better, which can also be used in other areas of your work to help you meet deadlines and coordinate projects. You will learn through hands on activities in etiquette, budgeting, floral design, party food, photography, and more! As a participant of this class you be involved in planning an actual PCCHE event this semester, from budget to event execution. If you select this class, you must be able to commit to some homework near the event date and be available during the evening of the event, tentatively the Spring Parent Night on May 6, 2024.	Composition notebook and pen. Will need supplies to present a mood board (digital, paper, or posterboard) closer to the end of the semester.
2nd	Intro to Emergency Management	\$50.00	14+	Allison Bailey	Will be building emergency kits, and some supplies will be optional and sourced outside of the classroom. Optional HS credit work will be made available via online course at FEMA.	pen, backpack with pockets to be used for an emergency kit. Students may wish to purchase additional, optional materials for their kit.
2nd	Speech	\$5.00	14+	Dawn Reitz	Speech can be intimidating, but this class will provide fun along the way. It will become an opportunity for success instead of a recipe for disaster. You will learn to find your voice and become confident while learning to hone your public speaking skills. We will also focus on being good listeners. You will have to practice your speeches at home during the week.	Paper and pencil. Students need to devote up to one hour a week preparing and practicing their speeches.
3rd	Nursery-Babies	\$10 for all day	under 2			Please send your child with a well stocked and well labeled diaper bag.
3rd	Twos and Threes	\$10 for all day	3	Laura Jackson, Crystal Paige	Using Heart of Dakota's preschool curriculum, your child will spend first hour making crafts and playing and learning their letters and numbers. A new theme will be introduced each week. During second hour, children enjoy snack and free play time which may include some time in the gym or outdoors for physical education. Third hour is reserved for a movie/rest time.	Please make sure any items sent with your child are well labeled. If napping third hour, your toddler will need to bring a blanket or nap mat of some kind.
3rd	Letter People	\$15.00	4-6	Jessica Deptuch	The Letter People is a wonderful curriculum to help get small children excited about reading. Each week we will focus on a specific Letter Person and their letter and sound. Our activity, craft, song, and snack will all be centered on that week's letter. For example, Week 1 will be Mr. M and his Munching Mouth. We will glue Macaroni on Mr. M, and we will eat Mini-Muffins.	

HR	CLASS	COST	AGE	TEACHER	DESCRIPTION	STUDENT MATERIALS
3rd	Science for Little Hearts	\$20.00	4-6	Laura Welty	Exploring God's Amazing creation!	
3rd	Storybook STEM	\$15.00	5-7	Alicia Turner	Revamped for the spring semester, students will listen to a story, then they will identify a problem and engineer a solution to that problem using a science, technology, engineering, or math design process. This is an exciting mix of literature and hands on STEM activities.	
3rd	Spanish for Beginners	\$10.00	7-9	Michelle Blackford	Introduce your little ones to the excitement of learning another language! Spanish for beginners will cover basic phrases and words to give them the foundation to build their language knowledge. From counting, to abc's and more, they will learn to interact with each other while speaking Spanish, watch short videos to hear native speakers, and get familiar with reading the words they learn!	
3rd	Show N Tell	\$10.00	7-9	Crystal Paige	Show 'N' Tell is a class to help your kids learn very basic public speaking skills as well as build some confidence in answering questions. Your students will bring items from home, the class will be assigned a different theme each week (purple, tropical, fluffy, and so on) and we will answer 5 simple questions in these presentations.	Children will need to bring various items from home throughout the semester
3rd	Crayons and Crafts	\$15.00	7-9	Cora Ranca	Students will be led through the completion of seasonal and age-appropriate crafts each week while learning skills in painting, watercoloring, DIY crafting, diorama making, and cooking in a fun and creative way. Each student will be encouraged to contribute and add on to projects as they desire. Weekly projects will include the creation of decorations, toys, snacks, traditional art projects, and more.	
3rd	Health and the Human Mind	\$15.00	8-10	Denise Salas	Using The Good & The Beautiful curriculum, students will examine the unique way God created our brain and senses in this one-of-a-kind science unit. Discover how your minds were made to be creative, think and express emotions. Engaging, hands-on lessons, awe-inspiring videos and interactive student journals keep your young scientist active and involved in the learning process.	
3rd	Dance to Glorify	\$40.00	10-13	Serena Lero	"Let them praise his name with dancing." Psalm 149:3 No previous dance experience needed. We will learn a choreographed dance to be performed on Parent Night. Please wear comfortable clothing to class and be ready to dance! *This is a performance class. Regular attendance and participation in Parent Night is required. If you or your child are unable to commit in this way we ask that you choose another class.	Students need to wear comfortable clothing to class, please. The class cost covers dresses for the performance.
3rd	Miniature Design	\$50.00	11-14	Yelverton/Rickey	Welcome to the tiny world of miniature design! Each student will receive a blank wooden dollhouse room to transform into a creative space of their dreams. Students will be sketching out designs, creating color palettes, constructing furniture, and creating dollhouse miniatures in this unique and fun class. Dollhouse rooms will be displayed at Parent Night.	Xacto knife and glue gun.
3rd	"Die"orama	\$45.00	11-14	Jordan Boren	Love crafts? Love history? This one is for you!! Students will be gaining a knowledge of famous battles and even some lesser known ones. They will take the information provided and create a diorama of the battle we have discussed. Each week will be a new topic!	Lists of materials needed each week will be provided. Parents - Please save and send paper towel and toilet paper rolls to class!
3rd	Table Talk for Tweens	\$20.00	11-14	Julie Casaccia	We will have lively discussions on food, drinks, and other random topics in our world today. This is a class for students to laugh, argue their side all the while having fun all for the glory of God.	
3rd	Nutrition	\$40.00	14+	Allison Bailey	Growing Up Nourished is a curriculum written by a Christian holistic dietician. We will be going through scripture and activities to learn what foods do for bodies and how to really take God's design for food and health seriously.	Pencil/pen, groceries for at home cooking.
3rd	"Socialization" Hour	FREE	14+	TBA	We've all heard it before. "But how will your kids SOCIALIZE??" Well, worry no more! A whole hour dedicated to de-weirdifying your poor homeschooled child. On days weather is nice, students will be outdoors playing kickball, gaga ball, and other team centered physical activities. On bad weather days students will be indoors playing board games, cards, and hanging out getting to know each other. Make sure your child comes dressed appropriately for outdoor play and equipped with a water bottle.	Students must wear sneakers and appropriate clothing.
